Daily Zoom Link   Edited Sep 21

Use the link below everyday at 10:04AM to join our live classes on Zoom. As a reminder, you MUST log in to Zoom using your DOE e-mail address.
As a suggestion, you can log on to Zoom through the link in your TeachHub account (this will force Zoom to use your DOE account information when logging on to a meeting).

For students having difficulty with the link, you can also use the Meeting ID and Passcode to log in, or dial into the conversation by calling the phone number:
Meeting ID: 836 0675 0527
Passcode: 241819
Dial by your location: (646) 558-8656

Common Problems

Authorized Attendees Only

This error message means you have tried logging on to Zoom using a non-DOE account. If you (or someone in your house) have used Zoom before with a different account, your electronic device may remember this account. Follow the directions in this guide to log in to Zoom with your DOE account.

Meeting ID is Not Valid

If you attempted to log in to a Zoom meeting using a *Meeting ID* and *Passcode*, you most likely made a typo when typing the information in. If this problem continues, try closing all apps (including Zoom) and try again.
